

CLASSIS ALBERTA NORTH

OF THE CHRISTIAN REFORMED CHURCH

Committees

Healthy Church Task Force

The task force is a committee of Classis working in cooperation with Denominational Pastor-Church Relations, the CIC and Safe Church Team.

The mandate of the HCTF is to foster congregational health within the churches of CAN by cultivating pastor-church relationships, dispatching appropriate resources for congregation councils and pastors, strengthen, supporting and challenging pastors, their spouses and families as they do the work of ministry. The HCTF also serves to encourage the active participation of congregations, councils and pastors in restorative justice efforts within their communities.

The HCTF has developed resources for the churches of Classis.

Map of Roles and Responsibilities ([link](#)) an essential resource for churches and their pastors designed to maintain effective and healthy relationships within our ecclesial structures
